What is Flippy Hats?

Flippy Hats is a casual risk-taking game about collecting gems with the flip of a hat. Launch the hat to explore skies filled with birds, hot air balloons, satellites, asteroids, gems and more! As the hat falls, collect as many gems as you can. But make sure to catch the hat before it hits the ground or all your gems will be lost!

Features:

- Collect 31 different hats! - All hats can be easily earned with in-game gems!
- Infinite run mode!
- Easy to learn controls, just pull and release!
- Interactive environments: tap birds out of the sky, pop balloons, and break satellites!
